

notes:

- 1: Removal of walls is subject to review and approval by a VA State licensed structural engineer.
- 2: It is the cabinet manufacturer's responsibility to ensure that space and clearance requirements for appliances, as well as space requirements for appliance door swings, are built according to manufacturer's specifications.
- 3: If the cabinet manufacturer, or any other trade, detects structural or drywall deficiencies that affect styling, please notify client, builder and/or Tom Bakker Design promptly to discuss solution.
- 4: All dimensions indicated on this drawing are to FINISHED surfaces.
